

Byte Block (Sgt. Warfare's Theme)

Fear Factory

I'm nothing more
Nothing less
Than a single piece of flesh
Nothing more
Nothing less
Than a worthless piece of flesh!Flesh! Flesh!
A piece of
Flesh! Flesh! Flesh!
Worthless![Chorus]
No, I have not forgot
What you said to me
This is reality, cast me away!I've lost my mind
Lost my faith
The machine made me the slave
Lost my mind
Lost my faith
The machine made me the slave!Slave! Slave!
Made me the
Slave! Slave! Slave!
Worthless![Chorus][Repeat: x2]
No, I have not forgot
What you said to me
This is reality[Repeat: x2]
Falling, fading...
Traces of my soulI have no more memory
No more past that I can see
Devoid of that which defines me
Devoid of all humanityDon't know how I got here [Repeat: x3]But I wish that I was dead!No, I have not forgot
What you said to meFalling, fading...Traces of my soul [Repeat: x2]
