

Slow Rider

Cuddle Magic

i like a slow ride
you look like a slow rider
let the world go by
watch here from the outside well it's a tough job
trying to live on the outside
but you're a tough guy
someone's gotta do it you got the dark eyes
like you been on the hi hat
and it's a good disguise
i can see right thru it
you you
you you
you're a slow rider baby
i'm a slow rider
hey hey hey hey hey
hey
