

Sex for Breakfast

Life of Dillon

I ordered sex for breakfast
Texting all my exes
On some Kanye West shit
Good morning I don't worry about tomorrow
Still drinking from the bottle
I know my time is borrowed
I spend it all right now, hey
I don't have a lot of feelings
I ain't living for the weekend
No, I ain't waiting for the evening
I want it all right now
I ordered sex for breakfast
Texting all my exes
On some Kanye West shit
Good morning
Me, Myself and Molly
Surfing on that body
Roll one for the Marley, no irie I get so high, I'm friends with Jesus
So you don't you drag me down to hell
When I wake up, I can't believe it
Life's far as good as I can tell You say I got a problem
Baby, I ain't trying to solve them
I started from the bottom
And I'm right now, yeah
I like to go where they know me
Where I ain't never feeling lonely
Forget about the old me
'Cause I'm on right now
I ordered sex for breakfast
Texting all my exes
On some Kanye West shit
Good morning
Me, Myself and Molly
Surfing on that body
Roll one for the Marley, no irie I get so high, I'm friends with Jesus
So you don't you drag me down to hell
When I wake up, I can't believe it
Life's far as good as I can tell If you want it, you got it
You wake me up like coffee

Swear, it feels just like college
So be on your way
If you want it, you got it
You wake me up like coffee
Swear, it feels just like college
So be on your way I ordered sex for breakfast
Texting all my exes
On some Kanye West shit
Good morning
I get so high, I'm friends with Jesus
So you don't you drag me down to hell
When I wake up, I can't believe it
Life's far as good as I can tell
