One Body

Doug & Deb

All the members work together for the glory of God.
We were made to work together for the glory of God.
All the members work together for the glory of God.
Can we all just work together for the glory of God?

One Hope, One Lord, One Faith, One God.
One Hope, One Lord, One Faith, One God.
One Hope, One Lord, One Faith, One God.
One Hope, One Lord, One Faith, One God.

In the spirit of love. . . .

One Body, One Spirit, in Jesus, we are one.
No matter what Color, in Jesus, come as one.
One Body, One Spirit, in Jesus, we are one.
No matter what Color, in Jesus, come as one.

All the members work together for the glory of God.
One Hope, One Lord, One Faith, One God.

In the spirit of love. . . .

One Body, One Spirit, in Jesus, we are one.
No matter what Color, in Jesus, come as one.
One Body, One Spirit, in Jesus, we are one.
No matter what Color, in Jesus, come as one.
