I Got Flow

Lil' Flip

(Chorus)
Cause I got flow, you know I got flow
If I ain't in your gal, I'm in the studio
Cause I got flow, you know I got flow
I'm da freestyle king, I ain't no freestyle pro
I got flow, you know I got flow
If I ain't in your gal, I'm in the studio
Cause I got flow, you know I got flow
I'm da freestyle king, I ain't no freestyle pro
I got flow

Look, I put diamonds in your face
I'm Lil' Flip, you know me
I chill with Big H.A.W.K., C-Note, and Pokey
Used to do karaoke, now I'm da freestyle king
You wanna see the platinum in my mouth and my Byzantine
I go to ? cause my piece shine bright
If I look into the sun, my teeth shine bright
I ride to the left, I swang to da right
They like, "Lil' Flip let me see your chain in the light?
