

Worlds Apart

Hatebreed

Conditioned to feel nothing
We turn our soul on all these crimes
Cries fall on deaf ears
And the killing continues They say what we don't know
Won't ever hurt us
But nothing could be
Further from the truth In your uncaring life
We are worlds apart
In this race doomed to fail
We are worlds apart In this system you support
We are worlds apart
In my soul
We are worlds apart
