

Brother

Stereophonics

Won't you take your words, brother?
Won't you mind your world, brother?
I find you so offensive, punk Won't you take my word, brother?
I tell you no lies, now leave me, brother
You disturb me, turn me, hurt me, sister You walk right up to me
Abuse me on the street
Like a cannonball killing me
You got it wrong brother can't you see?
Can't you see? Won't you walk on home, brother?
Won't you live and learn, brother? Think you're a poet? A know it at your lowest?
Have you lost it? Did you toss it? Double crosses it?
Are you a loser? No one to choose ya? Accuser? You walk right up to me
Abuse me on the street
Like a cannonball killing me
You got it wrong brother can't you see?
Can't you see? Don't you push me, brother
Don't you push me, brother
Don't you push me, brother
Don't you push me, brother You walk right up to me
Abuse me on the street
Like a cannonball killing me
You got it wrong brother can't you see?
Can't you see? Can't you see? Don't you push me, brother
Don't you
Don't you push me, brother
Don't you
Don't you push me, brother
Don't you
Don't you push me, brother
Don't you
