Without You

KeKe Wyatt

I was a fool for taking it out on you There's nothing I wouldnt do to make it up to you One conversation baby thats all I ask We can work this thing out it really aint all that bad See I was wrong for what I did all those nasty things I said I was trying to pay you back for making me so mad So if my soul my heart I beat Will you help me on my feet And I promise you i'll never fall again (Chorus) I dont wanna live without you I dont wanna be without you I got nothing to give without you Cause I dont wanna breathe without youI dont wanna love without you I think Im giving up without you I know I cant go another day... without you (Verse 2) I stay locked in my room I dont go out no more I keep hoping its you thats knocking on my door Im not sleeping too well Ive not had a meal in days See baby I need your help what is it gonna take I would give my soul my breath if you just meet me at end So that I can tell you all the things you need to hear And I swear to tell the truth cause I never lie to you Lets get back to making love like lovers do (Chorus) I dont wanna live without you I dont wanna be without you I got nothing to give without you Cause I dont wanna breathe without youI dont wanna cry without you I think Im gonna die without you I know I cant go another day... without you (Hook) Loneliness is what I'll forever breathe Only If U decide to rescue me Show me the way to get back to your heart And I'll travel down that road no matter how far Where ever you are (Chorus 2x)

I dont wanna live without you I dont wanna be without you I got nothing to give without you Cause I dont wanna breathe without youI dont wanna love without you I think Im giving up without you I know I cant go another day... without youI dont wanna live without you I dont wanna be without you I got nothing to give without you Cause I dont wanna breathe without youI dont wanna live I dont wanna live I dont wanna live I dont wanna live without you I dont wanna be without you
