Still Rollin'

Gretchen Wilson

Roadside signs
Eighteen wheels rollin' through the night
Sometimes I wonder 'bout this crazy lonely life
People come and go
Some you love and some you don't
Some you lose and some you learn to let goAnd I don't know what I'm trying to find
Stealing love on borrowed time
Always missin' what I've left behindBut I keep rollin'
I keep on rollin'I can't slow down
I can't tell you where I'm bound
Maybe I'm just spinning 'round and 'round
Maybe I'm a page
Of written words I can't erase
A book of songs I sing from stage to stageAnd I know that there may come a day
When I have nothing more to say
Wonder if they'll think I've lost my wayBut I'm still rollin'
I keep on rollin'I'm still rollin'
I keep on rollin'
I'm still rollin'
I keep on rollin'
