

# Love Is Like a River

Stevie Nicks

You used to call me wicked  
I used to call you friend  
They say your life is wild  
Compared to what lifestyle You must have many things  
To remember  
'Cause nothing else in your life  
Has really changed Everything is almost  
Like it was before  
And I don't want to do this  
Anymore When you lose your sight  
Love is like a river  
And there's nothing to see  
Love is like a river  
She was just like me  
Love is like a river  
And suddenly the day comes Some call it love  
Some say they're above that  
Well, I believed in love  
I called it worth it Some call me all the time  
Love is like a river  
Well love is like a river  
Love is like a river  
And when you lose your sight  
And suddenly the day comes Everything all around me is electric now  
But I haven't burned a candle in a real long time  
And only when your heart says it's over does it die  
Well love is like a river running  
Straight back to the sea Some call it love  
Some say they're above it  
Well I believed in love  
I called it worth it Well some call me all the time  
Love is like a river  
I say you can't stay home and give up the fight  
Love is like a river  
I think you're uptight lady  
Ooh, out of sight That's just what I wanted to hear  
Ooh, out of sight  
You know you can't stay home  
In the middle of the night

Love is like a river You can't say no in the middle of the night  
Love is like a river  
I think you're uptight lady  
Ooh, out of sight  
And you can't say no in the middle of the night  
Love is like a river Well I think you're uptight lady uptight lady  
Ooh, out of sight out of sight, baby
