Listen water against the rocks
looking back I canâ€™t see the road sleeping out on me no shoes
there foot no make up
you look whereâ€™s my home where you at find my husband
feed my cat itâ€™s scared and cold
people leave no more love
we can achieve

Hey hey hey
someone there Iâ€™m drowning
Iâ€™m so scared, my heart goes way too slow
meets for you, meets no more
meets no more

Let em go out of night drown the sorrow to the like
I canâ€™t breathe or I canâ€™t sleep
fish is all what does it all me
Iâ€™m blow my head something there nothing fair
itâ€™s a night mare
hands together down on my knees itâ€™s like youâ€™re inside of me

Make them go, let em be
I want to go know what loves mean

2 x
Hey hey hey
someone there Iâ€™m drowning
Iâ€™m so scared, my heart goes way too slow
meets for you, meets no more

Meets no more
