

# Mansion On the Hill

## Alabama 3

Hit the dance round about midnight  
Gin n juice and he's a feelin' fine  
Come morning all the signs went up  
Policeman said the joint was shut  
All the brothers gettin' busted outside  
Undercover officer readin' em their rights  
One way ticket boy your prison bound  
The night the lights in Dallas went down soHow long we gonna wait until  
We get the keys to the mansion on the hill  
I want to know right now  
How long we gonna waste our time  
Boarding a bus that's bound for the welfare line  
I want to know right nowShakes the blues off and she tries her luck  
Makes a little bet hopes the horse comes up  
Picks your pockets for some easy money  
'Cause she blew the goddamn lot on the national lottery  
Steals the paper and checks the front page  
Headlines read the dancehall can't be saved  
How can the open up the opera house  
On the night the lights in Dallas went downHow long we gonna wait until  
We get the keys to the mansion on the hill  
I want to know right now  
How long we gonna waste our time  
Boarding a bus that's bound for the welfare line  
I want to know right nowTweak freak Tony on the 4 2 8  
Special branch sting right time wrong place  
Colombian connections in the corridors of power  
Mean the man on the money ain't ever goin' down  
Lord Lucky takes his lady to the magic flute  
A little taste of heat and now he's bullet proof  
Tony tunes to underground radio  
On the night the lights in Dallas went downHow long we gonna wait until  
We get the keys to the mansion on the hill  
I want to know right now  
How long we gonna waste our time  
Boarding a bus that's boud for the welfare line  
I want to know right now
