

Boys (Golden Coast Remix)

Savannah Outen

Should I walk by again
Can't take the chance that you're leaving
Know it's been a minute since
I got that heart stopping feeling
Yeah, my world is moving slow
I'm so happy you're the reason
And I want you to know...Why get super wasted, it's a waste of time
Wanted to turn you around want to call you mine
I don't need a name cause I know it's right
I know it's right, I know it's right These boys, boys, boys, boys
Taking over girls moving by
Boys, boys, boys, boys
Don't want to live without them
So I try
Can't get enough
You got to love these boys, boys, boys I'm not sorry if I stare
Come and get a little closer
If you don't, I'm coming over there
Not trying to be forward
What I want is what I see
I know I'm not wrong about ya
I need all what I need, need They don't make no guys like you anymore
Got me feeling weak falling on the floor
Baby it's time come and give me more
Give me more, Give me more These boys, boys, boys, boys
Taking over girls moving by
Boys, boys, boys, boys
Don't want to live without them
So I try
Can't get enough
You got to love these boys, boys, boys Ooooo
They don't make guys like you anymore, anymore
Ooooo
Got me feeling weak falling on the floor
Give me more, Give me more Boys, yeah
Making all the girls lose their minds Boys, boys, boys, boys
Don't want to live without them
So I try
Can't get enough

You go to love these boys, boys, boys
Can't get enough
You got to love these boys, boys, boys
