

# White Trash

## Orchestral Manoeuvres in the Dark

I'm going to get you  
For the lies you've been telling  
And I'm going to tell all  
The people you call your friends I'm going to break  
Every bone in you your body  
That perfect little body  
That's been so close to mine We've been together  
Just as long as I remember  
But your mouth is a weapon  
That is worse than any knife
