

Pass Me By (If You're Only Passing Through)

Paul Brandt

Advisory - the following lyrics contain explicit language:

Well, look at what walked down the street today
She wanted me to be one more mistake to make
Just a bridge to cross to get to someone new
Hey, pass me by if you're only passing through No, I don't want to be no stepping stone
Among the other hearts that you've walked on
And I don't know what you think you've run into
Hey, pass me by if you're only passing through Well, you sure look like the traveling kind to me
Don't stop if this ain't where you want to be
Lord, help me if I fall in love with you
Hey, pass me by if you're only passing through
