

Who Is

Bruno Mars

Oh, i was perfect
For the circus
if she dared me, i do it
Love makes you stupid
i gave it up, But i guess it was not enough
Cause she never seemed satisfied

(Oohh)

i Know i'm not perfect
But at the end of the day

Who is ?

(Oohh)

she wanted someone thats perfect

Well Okay

But can you tell me Who is ?

(Oohh x2)

she set the bar

Just above the stars

A rocket could'nt reach it

But i still kept on reaching

she watched me try

At least a thousand times

If she loved me, She'd stop me But noo

(Oohh)

i Know i'm not perfect

But at the end of the day

Who is ?

(Oohh)

she wanted someone thats perfect

Well Okay

But can you tell me Who is ?

I saw something worth my future

So wrong So wrong

In my mind i was all it took

But i guess i wasn't wrong

(Oohh)

i Know i'm not perfect

But at the end of the day

Who is ?

(Oohh)
she wanted someone thats perfect
Well Okay
But can you tell me Who is ?
(Oohh x2)
