

Figaro

DJ Food Stamp

Every morning when sun is dawning
You'll see him down on the beach
 Look out girl, beware
 Better take good care
 Keep yourself out of reach
 He's out to make a killing girl
 He's out to make a score
 And maybe if you're willing girl
 He's gonna ask for more
 Oh oh Figaro, He's got magic oh oh
 Oh oh Figaro, He's a Romeo oh
 See him down on the beach
 He'll be looking for someone new
 Searching down on the beach
 Figaro, Figaro
 When he plays guitar
 At the disco bar
 He's the star of the show
 As the girls go by
 He just winks an eye
 See those pretty girls glow
 He's out to make a killing girl
 When dancing on the floor
 And maybe if you're willing girl
 He's gonna ask for more
 Oh oh Figaro, He's got magic oh oh
 Oh oh Figaro, He's a Romeo oh
 See him down on the beach
 He'll be looking for someone new
 Searching down on the beach
 Figaro, Figaro
 Oh oh Figaro, He's got magic oh oh
 Oh oh Figaro, He's a Romeo oh
 Oh oh Figaro, He's got magic oh oh
 Oh oh Figaro, He's a Romeo oh
