

Henny In Hand

[Tory Lanez](#)

Come we'll get somewhere far away, hide of all these blocks and corners
With my Henny in hand, uuh
When I'm with you babe feels like, uuh
Like the starts changing colors now Can we go to a place but alone with my Henny in hand?
Can we bum to the bass real slow with my Henny in hand
Stay safe in the ...When you say my name, great sky turn clear baby
Just wanna take you somewhere far
With my henny in hand
Looking at your face, ooh, ooh
Those beautiful eyes, make me wanna
With my henny in hand Can we go to a place but alone with my Henny in hand
Can we bum to the bass real slow with my Henny in hand
Stay safe in the street
