

Why Can't We Live Together

Sade

Tell me why, tell me why, tell me why
Why can't we live together?
Tell me why, tell me why
Why can't we live together?Everybody wants to live together
Why can't we be together?No more war, no more war, no more war
Just a little peace
No more war, no more war
All we want is some peace in this worldEverybody wants to live together
Why can't we be together?No matter, no matter what color
You are still my brother
I said, "No matter, no matter what color"
You are still my brotherEverybody wants to live together
Why can't we be together?Everybody wants to live
Everybody's got to be together
Everybody wants to live
Everybody's going to be togetherEverybody's got to be together
Everybody wants to be togetherI said, "No matter, no matter what color"
You're still my brother
I said, "No matter, no matter what color"
You're still my brotherEverybody wants to live together
Why can't we be together?
Gotta live together, together
