## Why Can't We Live Together

## <u>Sade</u>

Tell me why, tell me why, tell me why Why can't we live together? Tell me why, tell me why Why can't we live together? Everybody wants to live together Why can't we be together?No more war, no more war, no more war Just a little peace No more war, no more war All we want is some peace in this worldEverybody wants to live together Why can't we be together?No matter, no matter what color You are still my brother I said, "No matter, no matter what color" You are still my brotherEverybody wants to live together Why can't we be together? Everybody wants to live Everybody's got to be together Everybody wants to live Everybody's going to be togetherEverybody's got to be together Everybody wants to be togetherI said, "No matter, no matter what color" You're still my brother I said, "No matter, no matter what color" You're still my brotherEverybody wants to live together Why can't we be together? Gotta live together, together
