My Day Is Coming

Rivers Cuomo

Sometimes I lose my pride
And leave my best behind
And everybody has a good laughBut still I understand
The chances in my hand
Someday I'm going to make 'em believeSo people all around
Let me hear you lay it down
This is all the hope I haveMy day is comin'
My day is comin'
My day is comin'
It's comin' up somedayIt ain't too far from now
I'm gonna work it out
Today is better than yesterdayMy shining star will rise
And lead me to the prize
The best of times are on the waySo people all around
Let me hear you lay it down
This is all the hope I haveMy day is comin'
It's comin' someday
My day is comin'
It might be today
My day is comin'
It's comin' up, somedayWhen I get the things I want to have
Will I look back
On the critics?
Will I say that they were stupid,
That they underestimated me all along?Landon Donovan,
DaMarcus Beasley,
Freddy Adu,
Clint Dempsey,
Oguchi Onyewu,
Bobby Convey,
Eddie Johnson,
Steve Cherundolo,
Brian Ching,
Carlos Bocanegra,
Jimmy Conrad,
Pat NoonanLet me hear you sayMy day is comin'
Its comin' someday
My day is comin'
It might be today

My day is comin'
Its comin' up someday
My day is comin'
It's comin' up, someday
