

# My Chosen One

## Guillemots

My chosen one  
Why look at me?  
Why wake me up  
After bad dreams? Why lie beside me?  
Why lovely eyes?  
Why lovely sides?  
Why you? My chosen one  
Why so kind?  
Why so blind?  
Why in your mind? So, I roam around untamed  
Un-betrayed  
Unafraid  
My real home, you give to me alone My chosen one
