

# When I Think Of You

[Chris de Burgh](#)

There is something on my mind  
And I'm losing concentration  
And I feel it every time  
That you are near me I could tell you all about  
Your picture at my bedside  
I should call you sometime  
And talk it over 'Cos I get a kick inside  
And I feel a tingle too  
It just comes from time to time  
And it only happens when I think of you  
Sleeping, when I'm dreaming  
When I wake up, when I think of you  
Walking, when I'm talking  
When I look up, when I think of you  
Take me away  
To a land of mass confusion  
And I don't know what to say  
When I am near you I could stand here all day long  
Just staring at your window  
But I have so much to do  
That's so important  
Then I get a kick inside  
And I feel a tingle too  
It just comes from time to time  
And it only happens when I think of you  
Sleeping, when I'm dreaming  
When I wake up, when I think of you  
Walking, when I'm talking  
When I look up, when I think of you  
May get the feeling  
That I'm dancing on the ceiling  
When I get a kick inside  
And my head is spinning too  
It just comes from time to time  
And it only happens when I think of you  
Sleeping, when I'm dreaming  
When I wake up, when I think of you  
When I whisper to your picture  
When I kiss it, when I think of you  
When I think of you  
When I'm dreaming we're together  
On my sofa, when I think of you  
When I'm wishing that we're kissing  
When we're dancing, when I think of you
