

# Fall In Love (your Funeral)

Erykah Badu

You better go back the way you came  
Wrong way  
If you stay  
Prepare to  
Have Yo shit rearranged  
The way  
I say  
You better get on away from here  
You gone see  
It's gone be  
Some slow sangin and flower bringing  
If my burglar alarm starts ringing

You don't wanna fall in love with me  
You don't wanna fall in love with me  
You don't wanna fall in love with me  
You don't wanna fa la la

You ain't the worst one I have done  
But you'll do  
Till he come  
See we gone take this shit from the top  
You gotta  
Change jobs  
Change gods  
Or you better get on away from here  
You gone see  
It's gone be  
Some slow sangin'  
And flower bringing  
If my burglar alarm starts ringin'

You don't wanna fall in love with me  
You don't wanna fall in love with me  
You don't wanna fall in live with me  
You don't want to fa la la

Cause it's gonna be some slo sangin'  
And flower bringing

If my burglar alarm starts ringing

(Your funeral)
