

Young, Free And Single

Boney M

Radio speaker: (not on album version)

Welcome to the radio show: young, free and single!

We got a good show lined up for you, let's have our first caller:

Hey, Jane's my name and love's my game,

I just turned eighteen yesterday.

I'm blond, I'm tall, I'm full of fun,

Give me a call and I'll show you some.

Frank met Jane now, and Jane met Eddie - on the radio show.

Who wants to have fun, who's hot and ready? - for the radio show.

Call up the station, have a go, get the phone in your hand.

Friends and lovers, give a call, take a chance on a voice if you can.

Why-o-you-n-g -f-are- double e, a-a-and single, sss-single.

Why-o-you-n-g -f-are- double e, a-a-and single, sss-single.

A-a-and single, sss-single.

Hey Jane, oh Jane, a voice supreme, I hear myself a living dream,

I'll tell you where, I'll tell you how,

Hang up that phone, we'll meet right now.

Young, free and single - who wants to take a dare?

Young, free and single - looking for affairs.

Young, free and single - always for a game.

Young, free and single - voices bring you fame.

What's your name now, call in a chance - on the radio show.

Playing roulette and you might get a blank - or you might have a go.

Love on the airwave and it's yours, pick the heart of your choice.

Friends and lovers, give a call, make a match - by the sound of a voice.

Why-o-you-n-g -f-are- double e, a-a-and single, sss-single.

Why-o-you-n-g -f-are- double e, a-a-and single, sss-single.

Why-o-you-n-g -f-are- double e, a-a-and single, sss-single.

Why-o-you-n-g -f-are- double e, a-a-and single, sss-single.
