Always and Never

Silverstein

This was my fate giving in
To your lips, to your eyes
I should have known it would come back to haunt me
Crooked smile, a reflection in your eyes
That shows my weakness for beautiful mistakesSomething that I know you've seen before
I'm not the first
Set the trap, I'm falling for it everytimeI can't believe everyone knew from the start
This would come back to haunt me
I can't stand to see you now
How could I ever trust youI'll take it back to the streets
I'll start again
I'll never look back
I'll never look back, backHow do you feel?
I bet you don't feel anything
Don't have a heart attack
Don't have a heart attack
But I won't stop youFlying high, razor blades make perfect lines
On just about anything you want
Broken pores spill out everything you want to sayIt shows my weakness for falling in love with
My wallowing despair that shines in black
It consumes me, I'll take it back
I'll build it back to what it wasI can't believe everyone you told this to
This would come back to haunt me
I can't stand to see you now
How could I ever trust youI'll take it back to the streets
I'll start again
I'll never look back
I'll never look back, backHow do you feel?
I bet you don't feel anything
Don't have a heart attack
Don't have a heart attack
But I won't stop youEveryone you promised to
This would come back to haunt me
I can't stand to see you now
How could I ever trust youCut me out of your life
Like its nothing
Like I'm nothing
Make believe you can love
That it's better, that you're betterPart of me is gone

You've taken, you've taken
You've taken, you've takenPart of me is gone,
you've take, you've taken
Pieces from meI'll take it back to the streets
I'll start again
I'll never look back
I'll never look back, backHow do you feel?
I bet you don't feel anything
Don't have a heart attack
Don't have a heart attack
But I won't stop youYou won't stop, you'll never change
You won't stop, you'll never change
