Overcome

Tricky

You sure you wanna be with me?
I've nothing to give
Won't lie and say this loving's best
Whoa, leave us in emotional peace
Mmm, take a walk, take a rest, a taste of thisDon't wanna be on top of your list
Monopoly improperly kissed
We overcome in sixty seconds the strength we have together
But for now, emotional ties they stay severed
And when there's trust there'll be treats
When we funk we'll hear beatsKarmacoma
Karmacoma

No, not exactly lovers
You're a couple, oh 'specially when your bodies double
Duplicate and then you wait
For the next KuwaitKarmacoma
