We're Gonna Have a Good Time

[Rick Springfield](#)

We're gonna have a good time
It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all nightCome on now, get the music on
We're gonna dance and sing till the night is gone
I'm feeling good, I'm feeling better now
You can really do it and I'll show you howSo come on, can't you hear me saying?
Don't you think about yesterdayWe're gonna have a good time
It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all nightOoh, sit down, I don't want ya rockin' the boat
You got your high heel shoes and your overcoat
I believe things are better now
If you just let go, I can show you howSo come on, it's no time for sorrow
Don't you think about tomorrowWe're gonna have a good time
It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all nightOh, we're gonna have a good time
It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all nightWe're gonna have a good time
It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all nightWe're gonna have a good time
It's gonna be a rock 'n' roll night
We're gonna have a good time
We're gonna play the music all night
