The Very Last Time (Oblivion Tour) [Live]

Utopia

Sometimes I wonder if I'm still alive
How much abuse can someone stand and survive
How long I've waited for this day to arrive
When I won't be a fool no more
Nobody knows how you push me around
Nobody sees how you treat me like I'm your clown
I never made a sound
It's the very last time you will get on my case
It's the very last time 'cause
I won't be a fool no more
It's the very last time you will step on my face
It's the very last time 'cause
I won't be a fool no more
I still remember the look in your eyes
Just a reflection of the things you despise
But sooner or later I've got to get wise
And I won't be a fool no more
Nobody sees how you treat me like dirt
Nobody knows just how badly a man can hurt
You've got a lesson to learn
I can still feel the sting of your words
But I won't cry no matter how much it hurts
My head may go crazy, my heart it may burst
But I won't be a fool no more
No I won't be a fool no more
