

Swing That Music

Louis Armstrong

(Full version.)My heart gives a chil,
I feel such a thrill,
My feet won't keep still,
When they swing that music.
Rythm like that puts me in a trance,
Oh you can't blame me for wanting to dance.

From what I understand,
It must be just grand,
To play in a band,
When they swing that music.
Oh I'm as happy as can be,
When they swing that music for me.

With my eyes I can see,
All of the glee,
The bees in the knees,
When they swing that music.
Rythm like that don't do nothing but make me smile,
Oh you can't blame me if I'm gone for a while.

From what has been said,
I'm getting ahead,
I'll swing you to bed,
Once they've swung that music.
Oh I'm as happy as can be,
When you swing that music with me.

My head feels a buzz,
A reason there was,
I feel buzz because,
They're swinging that music.
Rythm like that sends me up the wall,
Oh you can't blame me if I don't wanna fall.

From what I have heard,
It must mean the world,
To dance with that girl,
When they swing that music.

Oh I'm happy as can be,
When you swing that music with me.
