Simon

The Brothers Grimm

Catch your breath hit the wall, scream out loud
As you start to crawl back in your cage
The only place, where they will leave you alone
'Cause the weak will seek the weaker till they've broken them
Could you get it back again? Would it be the same?
Fulfillment to their lack of strength at your expense
Left you with no defense, they tore it down
Would'nt I, have felt the same
As you, I've felt the same
As you, I've felt the same
Locked inside the only place where you feel sheltered
Where you feel safe you lost yourself in your search
To find something else to hide behind as the fearful always
Preyed upon your confidence, did they see the consequence
They pushed you around? The arrogant build kingdoms
Made of the different ones breaking them
Till they've become just another crown
And I have felt the same
As you, I've felt the same
As you, I've felt the same
As you, I've felt the same
Refuse to feel anything at all, refuse to slip, refuse to fall
You can't be weak, can't stand still
You watch your back 'cause no one will
You don't know, why they had to go this far?
Traded your worth for these scars, for your only company
Don't believe the lies that they have told to you
Yeah, not one word was true you're alright, you're alright, you're alright
Would'nt I, have felt the same
As you, I've felt the same
As you, I've felt the same
As you, I've felt the same
La ra ra ra
La ra ra ra
La ra ra ra
As you, I've felt the same
La ra ra ra
La ra ra ra
La ra ra ra
