Sleeping By Myself

[Eddie Vedder](#)

I should have know there was someone else
Down below I always kept it to myself
Now I believe in nothing
Not today as I move myself out of your sight
I'll be sleeping by myself tonightI could never go to noone else
The hurt don't show but who knows, time will tell
Now I believe in nothing but the pain
and I can't see this turning out right
Oh I'll be sleeping by myself tonightForever be sad and lonely
Forever never be the same
Oh I close my eyes and wait for the sign
Am I just waiting in vain?
Oh I believe in love and disaster
Sometimes the two are just the same
I'm beginning to see
What's left of me is gonna have to be free to surviveI'll be sleeping by myself
I'll be sleeping by myself
I'll be sleeping by myself tonight
