

Big Party

Barbara & The Browns

You and me are going
To have a big party
Gonna really do it
A real big party
Gonna hang with friends
Want to have a big ball
Gonna have a big party
Gonna have it all, all
A big party
Big party
Big party
Big party
Big party
Big party
Gonna get a lot of music
And a lot of favorite songs
Got a real hot place
We got all night long
Gonna hang with friends
Want to have a big ball
Gonna have a big party
Gonna have it all, all
A big party
Big party
Big party
Big party
Big party
Big party
A-here we go, ah
Hey, hey, hey, hey, hey, hey
Big party
Hey, hey, hey, hey, hey, hey
Big party
Hey, hey, hey, hey, hey, hey
Big party
Hey, hey, hey, hey, hey, hey
Big party
Big party
Big party

Big party
Big party
Big party
A big party
Hey, hey, hey, hey, hey, hey
Big party
Hey, hey, hey, hey, hey, hey
Big party
Hey, hey, hey, hey, hey, hey
Big party
Hey, hey, hey, hey, hey, hey
Big party
Big party
Big party
Big party
Big party
Big party
Big party
A big party
