Live By the Gun

Tragedy Khadafi

Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun
A nigga shoot at me, so you know I'm shootin' back
Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun
A nigga shoot at me, so you know I'm shootin' back
Just handguns all white air ones
Niggas talkin' one on one but there ain't no fair ones
You feel me son? I do my dawg so TTG let's go to war
Number 1 video BET, MTV so sucker free you [unverified] you a TV
A nigga fuck with me Squigly lines an IV's
Uncle told me, "Flocka, murder this mothafucka"
Yo roc Dig a hole for these mothafucka's
Let me brush my shoulders off Jay-Z R.I.P to?
Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun
A nigga shoot at me, so you know I'm shootin' back
Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun
A nigga shoot at me, so you know I'm shootin' back
When the nigga see me, you know that I got it on me
Either that Desert Eagle that 5th or that 40
I'm strapped up shawty, ask my nigga Waka
Ask my nigga Unkle, an I murder?
Nigga shot me 5 times, 2 days later them niggas died
Niggas shootin' at the five is commiten' a suicide
I'm a murderous mad dawg that's the acronym
MMB frunt on me and a nigga klappin' 'em
I'm the big homie act like you know me
Put in my own work but niggas kill for me
Frunt on me and I make the whole country
Shocka 'cause I'm a real gun doctor
Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun

A nigga shoot at me, so you know I'm shootin' back
Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun
Live by the gun, I'ma die by the gun
A nigga shoot at me, so you know I'm shootin' back
