

Saved For Someone Else

Az Yet

This was the place of our first date
It was a place we loved
That was the place we laughed
Where we had so much fun
There was the place I met her
That's where we fell in love
And it was the place
Where she broke my heart
So, how do I tell this story
Of someone I love so much?
When she lost her feelings for me
Oh, how I miss her touch
Have you ever loved someone so much?
It hurts like hell
To see the love that she once gave to you
She gives to someone else
Have you ever, ever, ever, ever loved to find yourself
To see the love that she gave
The love you made, the joys and praise
She saved for someone else
She was a girl called beautiful
And I was so proud of she
How could a girl like her be
With someone like me?
There was a time I had her heart
And oh what a time it was
But I never thought that time
Would take my one true love
So, how do I tell this story
'Bout someone I love so much?
She lost her feelings for me
Oh, how I need her touch
Have you ever loved someone so much?
It hurts like hell
To see the love that she once gave to you

She gives to someone else
Have you ever, ever, ever, ever loved to find yourself
To see the love that she gave

The love you made, the joys and praise
She saved for someone else
Have you ever loved someone so much?
It hurts like hell
To see the love that she once gave to you
She gives to someone else
Have you ever, ever, ever, ever loved to find yourself
To see the love that she gave
The love you made, the joys and praise
She saved for someone else
So, how do I tell this story
'Bout someone I love so much?
She lost her feelings for me
Oh, how I need her touch
Have you ever loved someone so much?
It hurts like hell
To see the love that she once gave to you
She gives to someone else
Have you ever, ever, ever, ever loved to find yourself
To see the love that she gave
The love you made, the joys and praise
She saved for someone else
Have you ever loved someone so much?
It hurts like hell
To see the love that she once gave to you
She gives to someone else
Have you ever, ever, ever, ever loved to find yourself
To see the love that she gave
The love you made, the joys and praise
She saved for someone else
