I buy records 'cuz my boyfriend says so
I make friends 'cuz my boyfriend says so
I wear these clothes 'cuz my boyfriend says so
I am this way 'cuz my boyfriend says soI want the best and I need the best
I love my boyfriend
He is my friend 'cuz he is the trend
I love my boyfriendI am angry 'cuz my boyfriend says so
I am happy 'cuz my boyfriend says so
I am submissive 'cuz my boyfriend says so
I am outrageous 'cuz my boyfriend says soI want the best and I need the best
I love my boyfriend
He is my friend 'cuz he is the trend
I love my boyfriendHey girlfriend, you're suffocating me
I got friends and other people to see
You want love, you got to give me space
Hey girlfriend, no tears on your faceI am outmoded 'cuz my boyfriend says so
I am defective 'cuz my boyfriend says so
I kill myself 'cuz my boyfriend says so
I sing this song 'cuz my boyfriend says so
