

Wonderful (With Chester Bennington)

Stone Temple Pilots

If I were to die this mornin'
Would you tell me things that you wouldn't have?
Would you be my navigator?
Would you take me to a place we could hide? As I'm fallin' out
I wonder what I lost
Must be movin' on
Know I'll be waitin' here alone I want to ask you to forgive me
I haven't been the best with all that I had
Wish I'd only laid beside you
I think I spread myself a little too thin As I'm fadin' out
I don't feel anything at all
Think I'm movin' on
Know you'll be safe but not alone
