Rub-A-Dubbin

Ken Mellons

I could tell they were nervous
When they saw me at the service
And the preacher asked
If anyone had anything to say
When they said "I do"
I jumped up and said "thank you"
'Cause my alimony just stopped todayHe's rub-a-dubbin' in my tub
He's sleepin' in my bed
He's watchin' my TV
He's scratchin' my dog's head
He thinks he's got H-E-R right down to a "T"
But he's just the next ex
Of my ol' used to beEvery morning he gets up
And fires up my ol' truck
He used to work one job
I'll even let him believe that he stole her from me
But one day I'm gonna send him an I.O.U(Repeat twice)
He's just the next ex
Of my ol' used to be
