I Got It

Kevin Lyttle

Come and get it
If you want it
Come and get it
If you want it, come and get it, I've got it
(Oh, oh)
If you need it, come and get it, I've got it
(Baby)
If you want it, come and get it, I've got it
(Oh oh)
If you need it, come and get it, I've got it
(Oh yeah)
I know that your mummy and your daddy don't tell you
That I'm not the man for you
But after all the things that we've been through
Girl I'll be standing by you
So, no matter whatever my baby
You can deepon on me
And there ain't nobody else in this world
Who can be my honey
If you want it, come and get it, I've got it
(Oh, oh)
If you need it, come and get it, I've got it
(Baby)
If you want it, come and get it, I've got it
(Oh oh)
If you need it, come and get it, I've got it
(Oh yeah)
Seems that everybody has an opinion
About our love connection
Only spreading rumors about me
But you can not trust them baby
'Cos you're my lover honey
An extention of me
And there ain't nobody else in this world
To be my lady
If you want it, come and get it, I've got it
(Oh, oh)
If you need it, come and get it, I've got it
(Baby)

If you want it, come and get it, I've got it
(Oh oh)
If you need it, come and get it, I've got it
(Oh yeah)
I'm going out of my mind
Every single time that you're not with me
And I know that the feeling is muture
'Cos you're my equal love you baby
No matter whatever, our love as whatever
Coming to never, come on
Tu tutun tutun tutun tutun tutun
Turn and I turn nana
If you want it
Come and get it
I know that your mummy and your daddy don't tell you
That I'm not the man for you
But after all the things that we've been through
Girl I'll be standing by you
So, no matter whatever my baby
You can deepon on me
And there ain't nobody else in this world
Who can be my honey
If you want it, come and get it, I've got it
(Oh, oh)
If you need it, come and get it, I've got it
(Baby)
If you want it, come and get it, I've got it
(Oh oh)
If you need it, come and get it, I've got it
(Oh yeah)
