Super Girl

D'Cinnamons

It's not suppose to feel
It's not suppose to be like this
I'm not what I used to beI feel that I can't breathe
I feel that I can't be my self
Strong when I'm aloneI'd try to get you out of my mind
and manytimes I try to step on the ground
but shape of you, taste of you, smell of you
Spinning in my head..
Goin crazy just because of you!!Take me out of here!!!!, take me out of here!!!!
I'm not my self, not I used to be
Yes I am Strong, I used to be a supergirl
Well,.. I just miss being me..So long, I've blame my self dreamin' 'bout you..
I don't want to stop, cause I hate to be alone
Just tell me where you areI'm looking for you at many place
Never bored asking people 'bout where you areHey!!
Don't you dare treat me me like you don't know me
Now you're out of my world, don't know where to find youTake me out of here!!!!, take me out of here!!!!
I'm not my self, not I used to be
Yes I am Strong, I used to be a supergirl
Well,.. I just miss being..OOO ooo that strong little girl, noo..
Don't wanna be aloneYou control me, you control meooooo.
You control me, you control me.The way you are, makes me don't wanna go, won't be alone anymore
