

# Overjoyed

## Magnet

I'm overjoyed and in the sun, the second time this year  
I'm on a plane at thirty thousand feet, the only way from here is down  
And that's ok with me  
Cause I'm overjoyed and ready for the fall It's no surprise that I've been forced to learn that bliss comes at a  
price  
And here I am still mining gold from the soul I've sold like a whore  
The finger of blame is pointing at me  
Cause I lit that flame and now it's burning me  
But I'm overjoyed and it's no surprise that I'm ready for the fall
