Altered Life

Living Sacrifice

Breathing freely. Function. Easy.
Needless chaos. Cast down. Cast off.
Needless chaos. Peace of God. Liberate. Liberate.
Peace of God. Peace of God.
Life on my terms. Wasted fruitless.
By God. Soul embrace. Death is waste.
Liberate me.
Saved from my terms. All on grace now.
Claiming my chance to believe.
Am I not beyond? Can I not respond?
Death is wasteChild's mind lost. Taken from me.
By God. Soul embrace.
