

Princess Of China (feat. Rihanna)

Coldplay

Once upon a time, somebody ran,
Somebody ran away seeing fast as I can,
I got to go, I got to go,
Once upon a time, we fell apart,
You holding in your hand two half's in my heart,
Oh whoa, oh whoa...

Whoa,
Once upon a time, we runnin' bright,
Now we all ever seem to do is fight,
On and on...

And on and on and on,
Once upon a time, on the same side,
Once upon a time, on the same side,
In the same game...

And what'd you have to go?
Have to go and throw over all of my things...

Could've been the princess, you'd be a king,
Could've have had a castle, on a reign,
But no,
You let me go,
Could've been the princess, you'd be a king,
Could've have had a castle, on a reign,
But no,
You let me go...

You stole my star,
La la la la la la la
La la la la la la la
You stole my star
La la la la la...

Oh whoa, oh whoa...

Cause she really hurt me
No, you really hurt me,
Cause she really hurt me

No, you really hurt me,
Cause she really hurt me, oh
You really hurt me, oh
Cause she really hurt me, oh
You really hurt me...
