No Reason Why

New Found Glory

[Originally by Gorilla Biscuits]No reason why!
You're always on my back about what I mean to do
and all your talk is bothering me just wait until I'm through
I walk down to the corner store to catch up with my friends
They're puffin smoke high on dope, will this shit ever end?
I go down to the matinee
such stupid shit I see
as middle class suburban kids
grubbing money off of me
Tough guys staring picking fights
with new kids & with old
These attitudes help nobody
the guilty should be told

...and we'll tell 'em
No Reason Why - to beat up on a poser skin
No Reason Why - to keep the little kids from getting in
No Reason Why - to take advantage of the people you know
No Reason Why - there's no fuckin' reason why
You're always on my back about what I mean to do
and all your talk is bothering me just wait until I'm through
I walk down to the corner store to catch up with my friends
They're puffin smoke high on dope, will this shit ever end?
Will it ever fucking end?
No Reason Why - to beat up on a poser skin
No Reason Why - to keep the little kids from getting in
No Reason Why - to take advantage of the people you know
No Reason Why - there's no fuckin' reason why.
