

Return

Glen Hansard

You're no wiser now
Returning with your head bowed low
Tired of trying to make it happen
Trying to break out on your own
It seems you're always on the fence
you neither one side nor the other now
well you better make some choices
before they all start running outbut ohTell me do you hear the noise
Its growin
Tell me do you hear the noise
Battles lost and won
And you're feeling like you've only...
You've only just begun...
To stand up on your ownDo ya feel
Do ya feelohTell me do you feel the noise
Its growin
Tell me do you feel the noiseIn the hot blown dust we'd kneel
where we once layed long in the tall grass
and the heart penned it's appealReturn x4oh
In the hot blown dust we'd kneel
where we'd once layed long in the tall grass
and the heart penned it's final appealReturn x4
