I Want to Be Your Man

Roger

Hey lady, let me tell you why
I can't live my life without you
(Baby)Every time I see you walking by, I get a thrill
You don't notice me but in time you will
I must make you understandI wanna be your man
(I wanna be your man)
I wanna be your man
(Yes, I do, yeah, yeah)I wanna be your man
(I wanna be your man)
I wanna be your man
(Wanna be your man)You better not pass my by
'Cause if you do, you'll lose a good thing
(Baby)'Cause what I've got to say
Is sealed with a kiss and a wedding ring
(Wedding ring)My mind is blind, at times I can't see anyone but you
Those other girls don't matter, no, they can't spoil my view
I must make you understandI wanna be your man
(I wanna be your man)
I wanna be your man
(Yes, I do, yeah, yeah)I wanna be your man
(I wanna be your man)
I wanna be your man
(Wanna be your man)Words can never say what I feel, it's too intense
I've tried and tried and tried and tried
To tell you how I feel
But I get mixed up
(So mixed up)My mind is blind, at times I can't see anyone but you
Those other girls don't matter, no, they can't spoil my view
I must make you understandI wanna be your man
(I wanna be your man)
I wanna be your man
(Yes, I do, yeah, yeah)I wanna be your man
(I wanna be your man)
I wanna be your man
(Wanna be your man)I wanna be your man
(I wanna be your man)
I wanna be your man
(Yes, I do)I wanna be your man
I wanna be your man

(Wanna be your man)
I wanna be your man
(Yes, I do, yeah, yeah)I wanna be your man
(I wanna be your man)
