Fishity Bird

The Poops

Why are all the fish, in the sea?
Where do they go when, they need to pee?
Do they have bicycles, do they watch tv?
Do they get their trombone, lessons for free?
Chewing gum and candy cost twenty cents,
We act like gooks cause we all sleep in tents.

Why do birds, live on the moon?
Do you think they'll visit, us real soon?
We're having a party at a half-past noon,
Tell them all to bring, a spoon.
Chewing gum and candy cost twenty cents,
We act like gooks cause we all sleep in tents.

Do violins sound, just like a train?
Or is that always, just in my brain?
The saxophones, never complain,
Even when they're wet, down in the rain?
Chewing gum and candy cost twenty cents,
We act like gooks cause we all sleep in tents.
