

Sorrow

Frankie Rose

Dont ask me why, why there is sorrow

Dont ask me why its so hollow

Dont ask me why, why we dont follow

Why we must break, steal and borrow

Why? Theres no why

Why? Theres no why

Why? Theres no why

Why? Theres no why

Dont ask me why there is so much trouble

Constantly sifting through rubber

Dont ask me why, why we dont follow

Why we must break, steal and borrow

Why? Theres no why

Why? Theres no why

Why? Theres no why

Why? Theres no why

Quietly take it or leave it

Its nothing to see

Quietly take it or leave it

Its nothing to see

Quietly take it or leave it

Its nothing to see

Quietly take it or leave it

Its nothing to see

Quietly take it or leave it

Its nothing to see

Why? Theres no why

Why? Theres no why

Why? Theres no why

Why? Theres no why
