

Young In Love

Medina

(I was young in love) I walked right pass you
You knew my name
You kissed her lips and
looked at me again
My heart was burning
Wouldn't go away
My body's yearning
You said you felt the same Better left and sad
I thought you'd keep me safe
Thought you loved me more than her
That's what you claimed
Better left and sad
No I don't wanna know
Rather keep my blinders on and let it go
I was so
I was so
I was so young and in love
(I was young in love)
I was so
I was so
I was so dumb and in love
(I was young in love) silly, crazy, dumb and spacey
silly, crazy, dumb and spacey
(I was young in love)
stupid, foolish, not controlling
stupid, foolish, not controlling
(I was young in love)
You walked right pass me
You knew my name
Straight up ignored me
Like you felt ashamed
My heart was burning
I'm going insane
So young and hurting
Who am I to blame? Better left and sad
I thought you'd keep me safe
Thought you loved me more than her
That's what you claimed
Better left and sad

No I don't wanna know
Rather keep my blinders on and let it go I was so

I was so
I was so young and in love
(I was young in love)
I was so
I was so
I was so dumb and in love
(I was young in love) I was so

I was so
I was young in love
i was young in love I was so

I was so
I was young in love
i was young in love I was so

I was so
I was so young and in love
(I was young in love)

I was so
I was so

I was so dumb and in love
(I was young in love) silly, crazy, dumb and spacey
silly, crazy, dumb and spacey
(I was young in love)
stupid, foolish, not controlling
stupid, foolish, not controlling
(I was young in love)
