

Layne to Rest

Katastrophy Wife

Mother's dead hurts my head
Doctor said take my med's I know that things look brighter on the other side, hell yeah
I know I'd feel quite lighter on the other side, hell yeah
I want to go away because my friends are all dead there
I want to sing them songs because my heart's beyond repair Layne is dead failed the test
Life's a mess be my guest I want to feel the pain of me screaming in your ears
I want to see your fear as I bring you far too near
I want to feel the weight of you pushing me too far
Repeat the frenzy-heat of me burning on your car Alice said eat your head
Chained to med's kills Layne dead Mother's dead hurts my head
Doctor said no more med's
Layne to rest failed the test
Life's a mess be my guest
